

PRECISION CONSTRUCTION LAYOUT

Construction Layout Services Agreement

This Agreement is entered into between Precision Construction Layout ('Service Provider') and the undersigned Client ('Client').

1. Scope of Services

Precision Construction Layout agrees to provide construction layout services as requested by the Client.

2. Reliance on Provided Information

All layout services are based on plans and information provided by others. Accuracy is the Client's responsibility.

3. Errors and Omissions

Not liable for errors due to inaccurate plans, design conflicts, or uncommunicated changes.

4. Control Points

Client must provide accurate control points. Rework due to missing/disturbed control is billable.

5. Verification

All layout must be verified prior to construction. Not responsible after installation begins.

6. Tolerances

Work performed within standard industry tolerances unless stated otherwise.

7. Equipment Protection

Client is responsible for protecting equipment on-site. Damage may be billed to responsible party.

8. Rework

Additional trips due to changes or damage will be billed.

9. Payment Terms

Payment due per agreement. Late fees may apply.

10. Limitation of Liability

Liability limited to amount paid for services.

11. Acceptance

Use of services constitutes acceptance of terms.
